

Do You Want To Get To Know Your Girlfriend By Asking Girlfriend Questions

Men got beamed on Earth from Mars and women from Venus. Men are naturally quiet by nature and girls are talkative. Men and women have to coexist even if they are opposite to each other. To keep the earth populated men and women have to form life long partnerships. Boys and young men converse easily with their mothers, sisters and other female relatives, but when it comes time to strike up a conversation with a girl that they like but are afraid to approach can become a nightmare. Men go through hell when trying to talk to a girlfriend and ask girlfriend questions.

The most harrowing experience for a young man is asking a girl out on a date. They remember this experience for the rest of their lives. The problem starts when boys dont know what to say to a girl and how to as girlfriend questions who is quite comfortable talking to them.

Asking the right girlfriend questions is to a girl is important for a young man. He has to make her feel that he likes her and wants to know her better. To ask the right girlfriend questions he must find out her likes, dislikes, ambitions, future plans. The girl must be in the right mood before she is questioned. If she is in a bad mood or feeling low, it would be best to let her talk about what went wrong and why is she in a bad mood and feeling low. Coaxing her and taking a genuine interest in her feeling will make her talk about what went wrong.

Only ask the right girlfriend questions if you are really interested in her. You must show your sincerity when you ask her questions. If you are asking girlfriend questions because you have been prompted to ask them, you could end up in trouble. Supposed you asked your girlfriend whats her favorite color and she replied blue and after some time she asks you what her favorite color is and you take a guess and say red, you better be prepared to witness a tantrum. Only ask her those girlfriend questions which will get you to know her better. You may be crazy about football and she may not be interested, therefore talking on and on about it will only drive her batty and ready to let out an unholy scream.

What she likes about life, what does she hate the most. What are her favorite hobbies, past times, her best friends, favorite actors and actresses, TV shows?. What is her life style, favorite sports, movies, flowers, perfumes, ambitions?. She will feel wanted if the girlfriend questions are focused about her. Women want men to take a real interest in them and not just admire them for their looks. Dont ask girlfriend questions as if you are examining her. You must carefully the opportune time to ask your questions.
